

Company Profile

We at **JAY AMBE** Enterprise Industries are proud to introduce ourselves as one of the leading manufacturers of Brass Electrical parts, Lock Key, Auto parts, having been in the business for the past 26 years. We have gained an insurmountable expertise in the field. This coupled with our skilled and dedicated workforce has ensured top quality products for our customers.

For further detail about our superior products, please refer to our Website at www.brasspartrajkot.com

We manufacture various items such as Switchgear Terminals, used in Main Switches, Fuse Units & Change over Switches, HRC Terminal for Bakelite & HRC Fuse Link, Neutral Link for Panel Boards, Transformers parts, Lock Key, Auto Parts, and many more...

We manufacture items as per our customer's specifications, or as per samples/drawings provided. We have the capacity and capability to develop brass products samples of which are available upon request.

We are a leading Supplier to the Indian Market, as well as Export too also.

We do not compromise on quality and yet our prices remain economical and competitive in today's aggressive marketplace.

If you have any queries please do not hesitate to contact us. We look forward to hearing from you and developing a lasting business relationship.
